

## Our Commitment

Here at Yarmak & Co. we consider ourselves the “non-accountant” accounting firm, always challenging ourselves to think out of the box for the benefit of our clients. You will not receive pre-packaged advice from the team at Yarmak & Co. What you will get is a well thought out, specific plan to help you meet the needs of your business. From business consultation to tax planning, we personalize tax strategies and solutions for each client.

We listen, we care, we're committed

## Our Mission Statement

In the giving of ourselves we reach out as dedicated career accountants determining our worth by the success of our clients.

*We listen, we care, we're committed.*
